

## Transport Canada

APPROVAL NUMBER: **807-12**

# TCCA APPROVAL CERTIFICATE

Pursuant to CAR 573.11(1)(b) and subject to the conditions specified below, Transport Canada Civil Aviation hereby certifies Approved Maintenance Organization:

***Reheat International Ltd.***

**UK.145.00472**

***Alton, Hampshire***

as a TCCA approved organization for the maintenance of aircraft and / or aircraft components, as appropriate, under the regulatory control of TCCA and the issue of related certificates of release/return to service using the above TCCA approval number.

CONDITIONS:

1. The scope of approval is limited to that specified on the NAA/EASA Part-145 Approval Certificate, and the associated limitation documents for work carried out in a country which is a member state of the EASA (unless otherwise agreed in a particular case by TCCA).
2. This approval requires continued compliance with Part-145 and the Canadian supplementary conditions, including the use of the EASA Form One.
3. Certificates of release/return to service must quote the TCCA Approval Certificate Approval Number quoted above and the EASA Reference Number.
4. Subject to compliance with the foregoing conditions and the payment of the required fee, this approval shall remain valid until:

Expiry Date: 2013-05-01

unless the approval has previously been surrendered, superseded, suspended or revoked.

Signed:

Brian Clarke

For the Minister of Transport

Date of Issue: 2011-04-20

Supersedes certificate dated: 2009-04-27
