

CERTIFIED BABY BASSINET (NNAL141-1C)

SAFETY, SIMPLICITY, STABILITY

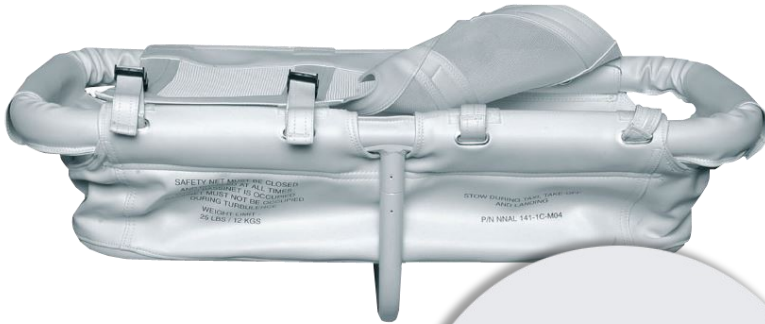

Here is a preview of our most popular color option: Cloud Grey. NNAL141-1C-M110

FEATURES

- Tulmar's Baby Bassinet is equipped with three wall anchors, ensuring sturdiness and stability.
- The Baby Bassinet's locking mechanism is located on the wall, making it inaccessible to infants. This was designed to prevent injuries to fingers frequently associated with a two-point system.
- Tulmar's Baby Bassinet is the easiest bassinet to clean on the market. The vinyl material is fast and simple to clean.
- Provides ultimate comfort and style.
- Complete maintenance services available.
- Approved for installation onboard Boeing and Airbus aircraft.
